

CALLING FOR CALL COMPANIONS

Reengage

Are you looking for a fun, flexible and rewarding role which will enable you to connect with and make a real and lasting difference to the life of an older person who is experiencing social isolation or loneliness

As a call companion you'll make regular telephone calls to an older person experiencing loneliness and isolation. These friendly chats provide a lifeline of friendship for older people and a vital link with the outside world from which they've become isolated.

We're looking for call companions who have:

- **A friendly nature**
- **Good listening skills**
- **Good conversation skills**
- **Patience and understanding**
- **A passion for improving the lives of lonely and isolated older people**
- **Basic computer skills (our inductions, checks and training are all online and our charity is paperless)**
