### WHO WE ARE

At Alpha May, our vision is to provide high-quality and flexible care for people of all ages, who are less able to care for themselves. We mainly support both adults and children with complex needs and behaviours of concern, both in the home and community.

### HOURS / WORKING PATTERN

We are looking for both **full time and part time** care workers to join our team.

We are looking for **flexible candidates** who can do a mixture of **mornings, afternoons and evenings**.

We also **have night shifts available too** – if you are interested! We typically **work in the window of 7:30 am – 9:00 pm for day shifts and 7:00 pm – 8:00 am for night shifts**.

We truly value the time spent with our clients, so you'll have plenty of time for each visit. **You might spend 4, 5 or even 10 hours with a client – this all dependent on both you, and the person you're working with. We can discuss this further at interview stage, and when we match you to your clients.**

This helps you build a brilliant relationship!

### REQUIREMENTS

- Driver with own vehicle
- Alternate weekends, or a set weekend day
- At least one years' experience working in care.

### THE ROLE

- To deliver high-quality care services in accordance with individual care plans.
- To provide community support, taking clients out and about and doing activities together
- Support clients with medication administration.
