Complex Care Assistants for Children

ABOUT US

The Care Collection provides multi award-winning home care to individuals of all ages. Our services include live in care, companionship, domestic support, and a range of care from personal through to complex for children. These calls are a minimum of an hour to ensure you have the time to deliver dedicated tailored support for the service user. When you join the team, we match your ambition and offer as much support as you need until you feel comfortable in the role.

THE ROLE

The role involves supporting children with specialist care needs. You will support with all aspects of daily living including personal care and companionship, this will also include specialised support with tasks tailored for the individual e.g. Peg Feeding. (Full training provided for this)

WE ARE LOOKING FOR

We are looking for both male and female candidates who have relevant work experience with children. Having experience with Special Educational Needs (SEN) children would be advantageous. We are looking for drivers for this role
