Aspire in the Community is a well-established provider of services for adults who have learning disabilities, autism, behaviours of concern and mental health conditions.

We are seeking a motivated and detail-oriented Recruitment and HR Officer to join our Head Office team. In this role, you will play a crucial part in the recruitment process by sourcing and engaging potential candidates for various positions within the organisation.

- Experience working within an HR/Recruitment function is essential
- Experience in recruiting for the health and social care sector would be advantageous.
