HELPING HANDS HOMECARE WORKERS (DRIVERS)

WHO WE ARE

Since 1989, we've supported adults of all ages to maintain their independence and stay in the comfort of their own homes. Seeing the extra lease of life this gives to families is the reason we're so passionate about what we do. We support all sorts of people, from learning difficulties, to older people, to those with dementia.

HOURS / WORKING PATTERN

Joining our growing team of Homecare Workers, you would be working a mixture of mornings and evenings, with shift patterns ranging from **7am – 3pm** and **3pm- 10pm**.

Candidates would ideally be working a mixture of these, as well as alternate weekends, to make sure our clients are safe, comfortable and well looked after!

We do offer both part time and full time, and we are happy to discuss your availability with this at interview stage/

REQUIREMENTS

Your role will involve supporting our clients in their homes, so we are looking for drivers with their own vehicle for this role.

THE ROLE

To provide personal care and support to enable our clients to live safely and securely in their own home. To be reliable and trustworthy, ensuring that only the very highest standards of support and care are provided. The requirements will vary between each client and will be clearly identified in each individually written client support plan. This could involve supporting with personal care, supporting at mealtimes, or supporting socially. Your working hours will be flexible, based on the client, and making sure they are safe, happy and fully supported.

WHAT WE OFFER

- Quick turnaround- we try our best to get you in your role as quickly as possible!
- Early Pay App for your phone- you can take up to 50% of your wage early!
- Free Blue Light card
- Moments of Kindness Scheme
- Generous refer a friend scheme
- Support with gaining new qualifications
- Employee counselling
- 28 days paid holiday
- Huge amounts of career progression

If you would like any further support with applying for this role or would like more information – please contact us at In2Care on [01484 416200](tel:01484416200) or email us at In2CareKirklees@kirklees.gov.uk
